Action: Raise with Staff at the Neighbourhood Centre - Secretary

Inner North/South Glasow City Network

Peter Leslie from ACOM consultant attended the meeting and gave a presentation. After a discussion he advised that the Delivery plan is online at GCC website and he will send the link to the secretary. He advised the design layout is stage 1 & 2 and this is where we are at.

Community Members asked how do they promote consultations with the community as many hadn't heard of it. Advised that there is information available in the local library and that they had held public engagements in various locations over the areas of the North and South of the City. Secretary advised that they held a consultation at the Larkfield Centre which was on their social media page and the information from the Community Council Resource Centre had been distributed to each member advising there would be a presentation to Community Councils at the meeting held for them on a regular basis in a Saturday at the City Chambers and if they wished to attend to advise the resource centre.
Action Peter to send Links and slides to the Secretary who will distribute to members and get it put onto our social media.

Councillor Reports

Councillor Siddique

Casework on cleansing, fly tipping, backcourts with overflowing bins, bulk items, parking and I am arranging a walk about with head of roads.

I also attended the fundraiser for Dixon Community Mini Bus at the Govanhill Community Garden.

I also asked a question at full council on heritage buildings falling into disrepair.

Any council related casework let me know.

Public

1. Road Markings Westmoreland Street and Calder Street being ignored
2. 8 Westmoreland Street sunflower seed skins being spat out onto the pavement by resident youths loitering with friends, member of public advised that they had raised with Cllr Siddique previously.
3. Member of Public raised the following (i) Road repairs Warren Street and Brereton Street. Advised Warren st was completely resurface but Brereton St still has only been partially done with holes still present.
4. Boyd Street, cars idling – notices been put up, money being spent and not being enforced is counterproductive as they should monitor

and enforce. GCC needs to enforce the rules that are still there. **Action: seek numbers of fines issued for cars idling at this location.**

5. Member of public advised that they had been in Glasgow for 5yrs and last year they attended a community council meeting and we are still talking about the same issues.

Public Continued

6. Issue of dig fouling raised by a member of the public but they do report it via the GCC app. They said the app was good for reporting issues and members of the Community Council agreed with this.
7. Community Councillor raised Bins removed from backcourt to front of properties on Hollybrook st advised that the issue is being looked into and it may take between 6months and a year to address the issues as there is a rat infestation
8. 16 & 18 Annette Street which is owned by Govanhill Housing Association and Cleansing are only clearing 3 bins from the from the front of the backcourt and leaving the others which now smell awful. **Action: Chairperson will raise with Neighbourhood Liaison Officer.**
9. Binmen leaving bins unlocked after emptying them at 14 Westmoreland Street block going round to Calder Street too.
10. Traffic on Calder Street, too many cars, it is busier than normal with buses getting stuck at the bus stops, also cyclists going the wrong way on the roads.

A.O.C.B.

Update on road markings, especially Aikenhead rd at the former Alcan site.

It was raised that we can't get councillors to attend community council meeting but they can attend litter picks and other events, also SEPA turning up at litter picks but not Community Council Meetings.

It was raised that there is still issues of smell coming from Polmadie and that a member of the Community Council has contacted them again regarding it.

Member of public asked was it against the law for Lidl, Asda to sell Fireworks.

Date of Next Meeting
