Proposed:- M Nisbet **2nd**:- J Dyer

3. In the absence of the Chairperson the Vice-Chairperson welcomed everyone to the meeting and read out **Chairperson Report** for the year. Chairperson's Report was **agreed** by those in attendance as follows:

Cleansing

Cleansing continues to remain high on our Agenda, I feel there has been slight improvements in places, but the large bins on the streets remain an issue requiring to have the uplifts increased, which we have raised with NLOs Team.

Calder Street Plot

We hold regular meetings with local organisations and schools, and the Calder Street Plot has been renamed by local children to the Calder Street - Oasis. Going forward, it will be known as the **Calder Street - Oasis.**

Chairperson Report Continued

We held a community information session at the Holy Cross Sports day on 20 May 2025 it went really well and many thanks to Marion one of our community councillors for leading on this project as it's much appreciated by all.

Gullies and Road Works

We continued to raise with Glasgow City Council and also our elected members, and eventually, they listened and carried out much needed works on Clearing Gullies of detritus and clearing the internal system to reduce flooding issues. Litter and detritus removal and mechanical sweep of the street and kerb lines on the following streets:

Pollokshaws Road to Victoria Road - Wednesday 16th and Thursday 17th July

Victoria Road to Daisy Street - Friday 18th July

Daisy Street to Cathcart Road

Fireworks Zone

Members of the local community had raised at our monthly meetings that we should be a Fireworks Free Zone, due to stress it causes people living in the area with autism, assisted needs, children, older people and animals such as dogs, cats and also the wildlife.

There was a consultation which the community council filled out on behalf of the community and shared it in social media too to engage with the wider community and ask them to complete the survey so Glasgow City Council had a wide range of views enabling them to come to their decision for the area of Govanhill. Govanhill was passed by GCC as a Fireworks Free Zone. November 1st to November 10th.

Hopefully, this will mean there is less disruption to family life this Guy Fox Night.

Chairperson Report Continued

Thank-You

I'd like to take this opportunity to thank my fellow Community Councillors for their support over the last year, as without your support, we wouldn't see any changes in our local area. Also to the community who come along to monthly meetings to let us know their issues of concern and to the local Councillors, Staff of Glasgow City Council and local Schools and Organisations for supporting us over the last year to get things done, it is much appreciated.

Andrew Carberry
Chairperson Crosshill and Govanhill Community Council
